

Schedule of Hearings, 140th Period of Sessions, October 2010
Inter-American Commission on Human Rights (IACHR)

INTERPRETATION AND LANGUAGES

This schedule offers information on the languages into which each hearing will be interpreted, if any, and the webcast channels that will be available for watching the public hearings held in the Padilha Vidal Room.

The video and audio recordings that will be posted on the IACHR website after the hearings will have only one track, corresponding to the “floor” language. This means that the voices recorded will be those of the participants in the hearings, in the languages they used, and never the voice of an interpreter.

This calendar uses the following codes: ESP for Spanish, FR for French, ENG for English, and PORT for Portuguese.
